Your event and function solution

With over 30 years in the hire and rental industry, Event Rentals is one of Brisbane's most experienced and respected names

The Event Rentals Story

Event Rentals grew from a commitment by City Hire to develop a dedicated service for our range of party/event equipment. City Hire was already a major supplier of construction equipment but party/event products were originally only provided as a support service for corporate clients.

For many years now, Event Rentals has been a reliable and regular supplier for major events such as: Paniyiri, NAIDOC Week, BCC Riverstage, The Caxton Street Seafood Festival and many others.

We have a comprehensive range of event and party equipment available for hire. Our range includes a wide variety of hard-to-find equipment for private functions, weddings of any size and style, major sporting events, corporate events and just about any special occasion imaginable.

Meet the Team

The Event Rentals team has over 50 years of combined experience in helping customers organise equipment for a wide range of events. We know how important it is for everything to run smoothly on your special day, so we do all we can to make sure you have the best possible experience.

We have an excellent knowledge of our equipment and we can make suggestions that you may not have thought of that can add extra functionality and flair to your event.

Why Choose Event Rentals

- Family Owned and Operated
- Friendly service from a team with over 30 years experience
- Experience in many of Brisbane premier events and festivals
- Clean and well maintained quality equipment
- Highly competitive pricing
- Prompt and punctual delivery service
- Total commitment to quality and service
- After hours emergency contact for those last minute hiccups
- 4 convenient pickup and return depots for smaller orders
- Preferred supplier for many of Brisbane's function venues and event companies
- Obligation free site inspections

So if you're planning a festival, wedding, private party, sporting event, or corporate function give the team at Event Rentals a call and be confident with the knowledge that you are in good hands.
